

Advocating for Substance Abuse Programs

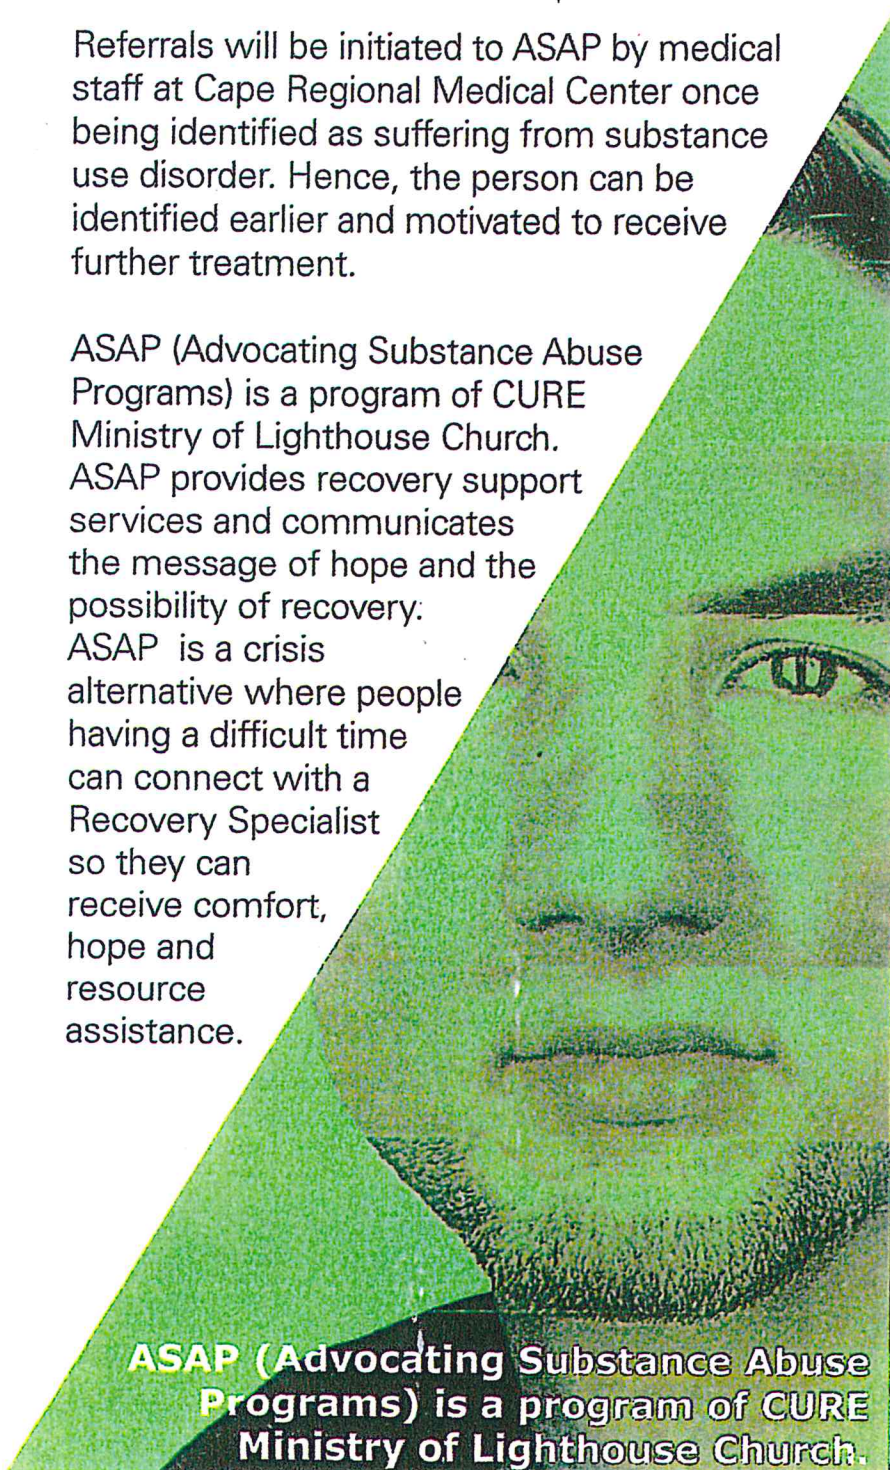

**YOUR CALL CAN BE THE FIRST STEP
TO RECOVERY!**

24/7 Crisis Hotline
Call 609-435-6272

Referrals will be initiated to ASAP by medical staff at Cape Regional Medical Center once being identified as suffering from substance use disorder. Hence, the person can be identified earlier and motivated to receive further treatment.

ASAP (Advocating Substance Abuse Programs) is a program of CURE Ministry of Lighthouse Church. ASAP provides recovery support services and communicates the message of hope and the possibility of recovery. ASAP is a crisis alternative where people having a difficult time can connect with a Recovery Specialist so they can receive comfort, hope and resource assistance.
