Energy Seminar presented by the BPU
February 21, 2008
Holiday Inn, East Windsor, NJ (Exit 8 NJ Turnpike)**

TCH Credits Pending

Over the past year, the NJ Board of Public Utilities (BPU) has received inquiries from the Water and Wastewater Authorities about energy efficiency programs, grants and credits. The BPU approached AEA to hold a seminar that will help answer these questions. As the nation progresses towards embracing energy efficiency initiatives, authorities can become a major stakeholder and benefit from what the BPU offers. Join AEA as we discuss the BPU's program in energy efficiency, renewable energy, future innovations, distributed generation and finally, how to finance these programs. A draft agenda follows. This seminar is for Executive Directors, Commissioners, municipalities, consultants and all authority staff personnel who have an interest in this field. The cost is \$125 per person and includes Continental Breakfast, Deli Buffet Lunch and any handouts.
