FROM THE PRESIDENT

By James Anzaldi, Mayor, Clifton

As you make plans to attend the Annual League Conference, I especially want you to attend the League's Business Meeting on Friday, November 19, at 9:00 a.m. at the Sheraton Hotel. Only the Mayor or their official designee can vote, but we welcome all municipal officials into the discussion of League business.

Here are some very important conference deadlines and cost saving ideas. Take a moment to review these and get all you municipal staff prepared for the Annual League Conference November 16-19, 2010.

The Annual League Conference is the most cost effective way to get your staff trained and up to date on the latest ways to efficiently serve your constituents. Registration is now done on site for \$60 for government officials and \$70 for non-government registrants and can be paid for by voucher, check, or cash.

A Mayors' Luncheon with a cabinet level briefing will be held Wednesday, November 17. [Click here](#) to see the speaker line up and order tickets.

Finally, the Consulting Period puts you face to face with 100 experts in various topics at 2:00 PM on Tuesday.

Businesses & governments are faced with many obstacles-

**Let *New Jersey Municipalities* help YOU reach your goals through
ADVERTISING and SUBSCRIBING**

As the only magazine of its kind in the State of New Jersey, the League's official publication, *New Jersey Municipalities*, is relied on by government officials, municipal employees and local government organizations in keeping them abreast of new initiatives and changing legislation in the State of New Jersey.

The magazine is wonderful. It is full of important information, stimulating articles and helpful tips.

-Susan Cohen, Manalapan Township Committee, Manalapan Township

I keep the issues because it is a good source of reference and I often share the pertinent information with the town administration and other elected officials.

- Mayor Cyril Wekilsky, Town of Boonton

*When I first became involved with local government 15 years ago I was given *New Jersey Municipalities* from a coworker. I have been reading it ever since. The articles often relate to issues we are facing in our town, and we've been able to use the experiences from other municipalities in solving problems of our own.*

- Mayor Gary Passanante, Somerdale Borough
