

Implementing the State TDR Act

Contact: (973) 248-7547; info@anjec.org; or www.anjec.org for information or to register

The Association of New Jersey Environmental Commissions (ANJEC), and co-hosts NJSLOM, NJ Future, and RPA, are pleased to present this workshop on the State Transfer of Development Rights (TDR) Act. We will explain TDR, discuss how to plan for preservation and growth areas, and describe how to set up a TDR program. Speakers include: Mayor Mahr on implementing TDR in Fanwood, Jeff LeJava, Highlands Council TDR Coordinator, on the status of the Highlands Regional TDR Program, and TDR experts from throughout the state.

Mayors are encouraged to attend with a planning board member or environmental commissioner. Learn how TDR can enable your community to plan for: less consumptive land use, better community design and smart growth, based on an assessment of natural resources and available infrastructure.

Workshop to be held on October 19, 2006, from 5:00 p.m. to 9:00 p.m. at the Morris County Community Center in Morristown. Light supper and materials will be provided.

Cost is free for Environmental Commission workshop plan enrollees, \$25.00 for ANJEC members and \$35.00 for non-members. Enroll early as space is limited.
