May 12, 2006

Mr. Rich Wolak, Administrator
Borough of Franklin
46 Main Street
Franklin, NJ 07416

Dear Rich:

Please allow this letter to act as an addendum to the contract between Wantage Township and Franklin Borough for animal control services during calendar year 2006.

Specifically, the Township of Wantage shall assist the Borough of Franklin with a program for control of nuisance geese, in accordance with the following procedure.

- 1) The Borough of Franklin shall bring to the Wantage Township Dog Pound, on dates and at times agreed to by both parties, Geese which have been caught by the Borough of Franklin as a part of its Nuisance Geese Control program. The Geese brought to Wantage Township Dog Pound shall have already been euthanized or otherwise killed in accordance with permitted activity for control of nuisance Geese under the laws of the State of New Jersey.
- 2) The Township of Wantage shall bring the Geese to Port Jervis Humane Society for cremation. The geese shall be cremated in a bulk quantity, separate from any other dogs or cats cremated, to provide the opportunity for an accounting of the weight of the Geese which have been cremated.
- 3) The Borough of Franklin agrees to reimburse the Township of Wantage at a cost of 65 cents per pound for all costs associated with the disposal of Geese under this program. Payment of bills submitted by Wantage Township for this service shall be paid by Franklin Borough within 45 days of submittal.

By scenario, if Franklin Borough were to dispose of 75 nuisance geese and these geese each weighed 12 pounds, then the cost to Wantage Township for this service would total \$585 for the year. The actual cost, of course, would depend on the actual weight of the geese. Please understand that this is, essentially, a pass through cost of the charges and expenses that Wantage Township will incur in providing this service.

If it is the desire of your governing body to accept this arrangement, please have your Mayor and Clerk sign one of the copies of this letter below, and return it to me. You may keep the other copy for your records.

Actual coordination of the drop off of Geese to Wantage Township shall be coordinated through Wantage Township Assistant Animal Control Officer John Abate.

Yours Very Truly,

James R. Doherty,
Administrator Clerk

The terms as described herein are agreeable as presented.
