

2012 Siemens Sustainable Community Awards

PRESENTED BY THE U.S. CHAMBER OF COMMERCE BUSINESS CIVIC LEADERSHIP CENTER

Nominate Your Community

The Siemens Sustainable Community Awards program provides a national platform for recognizing small, medium, and large size communities which have improved the quality of life for their residents, become responsible stewards of the environment, and increased the ability to sustain a successful community for generations to come.

These awards will spotlight communities that demonstrate the following attributes:

Overarching Sustainability – The community demonstrates strategic and innovative thinking about goals and outcomes

Economic Sustainability – The community incorporates partnerships with multiple stakeholders to enhance the local business environment

Environmental Sustainability – The community makes concrete, tangible steps to reduce its environmental footprint

We invite you to nominate your local community for this distinguished award. For more information about how to apply please visit our official website (<http://sustainablecommunity.uschamber.com/>) or contact Chris Ryan at cryan@uschamber.com

The deadline for nominations is *January 13, 2012*
