

PLEASE FORWARD TO ALL GOVERNING BODY MEMBERS

The 2011 Police & Fire Labor Contract Service

Gain insight with the League's invaluable service. You and your administrative team should have this important information on hand for police/fire contract negotiations. **An annual subscription to the service entitles you to:**

- **Selected Patrolmans' Salary Scales & Firefighters' Salary Scales**, collections of paid firefighters' and patrolman's salary scales from municipalities throughout New Jersey. Each entry lists the municipality, the county, the municipality's 2010 U.S. Census population statistics, its land area in square miles and the population density. The salary figures reflect two kinds of raises: 1) the "horizontal" raise between steps, and 2) the "vertical" raise in each particular step from year to year.
- **Selected Police Officers' Contract Provisions & Selected Firefighter's Contract Provisions**. Included in both are the municipality, the county, 2010 U.S. Census population, bargaining unit, number of patrol officers and information on overtime, uniform allowance, holidays, insurance, work schedules, longevity and more.
- A subscription to the *Arbitration Reporter*, a quarterly summary of police and fire contract arbitration awards. Each issue includes summaries of the most recent interest arbitration awards issued.

***Full Subscription \$285.00**
