

Resolution Calling on the Legislature to Make Permanent the 2% Cap on Interest Arbitration Awards

WHEREAS, on December 21, 2010, Governor Christie signed into law reforms to the Arbitration process that took effect January 1, 2011; and

WHEREAS, the reforms capped arbitration awards on economic factors to no more than 2%, provided for random selection of arbitrators, expedited the determination of awards, required the arbitrator to provide a written report detailing the weight accorded to each of the required considerations and expedited the appeal process; and

WHEREAS, these reforms marked a dramatic change to the arbitration process and have helped municipalities to control the never-ending rise in public safety personnel costs; and

WHEREAS, a key element of the reforms, capping arbitration awards on economic factors to no more than 2% of the property tax levy will expire on April 1, 2014; and

WHEREAS, while municipalities are statutorily limited to raise their property tax levy by no more than 2%, with very limited exceptions, failure to extend the 2% cap on interest arbitration awards will force municipalities throughout the State to further reduce or even eliminate crucial services, personnel, and long-overdue infrastructure improvement projects in order to fund an arbitration award; and

WHEREAS, the 2% Interest Arbitration cap has controlled one of the largest municipal expense, public safety salaries, not only through arbitration awards but through contract negotiations; and

WHEREAS, absent further action by the Legislature, any contract that expires on or after April 1, 2014, will be subject to all new procedures and requirements, EXCEPT the 2% awards cap; and

WHEREAS, without those limits, arbitrators will be able to impose awards that do not account for the 2% limit on the property tax levy, which would immediately threaten funding for all other municipal services; and

WHEREAS, without the 2% cap on Interest Arbitration Awards but with the 2% cap on property tax levy local budget makers could be forced to reduce other essential municipal services to fund an arbitration award;

NOW, THEREFORE, BE IT RESOLVED, that the governing body of the (*insert name of municipality*) strongly urges the Legislature to permanently extend the 2% cap on interest arbitration awards prior to the April 1, 2014 sunset; and

BE IT FURTHER RESOLVED, that a that a copy of this duly adopted resolution be forwarded to Senate President Stephen Sweeney, Assembly Speaker Vincent Prieto, the legislators of the (*insert municipality's*) State Legislative representatives, Governor Chris Christie, and the New Jersey State League of Municipalities.
